## **Family Fun Rounds Out Golf Experience at Wisconsin's Northern Bay Golf Resort & Marina**

Playing legendary golf holes inspired by some of the nation's greatest courses is the undisputed star attraction at the two year-old Northern Bay Golf Resort & Marina, north of Wisconsin Dells, Arkdale, in Adams County.

But in addition to being, named one of the nation's best new courses by Golf Digest, Northern Bay offers a large water hole—off the course. Castle Rock Lake is Wisconsin's fourth largest fresh water lake, offering another dimension to family fun. The resort includes 150 new and spacious condominiums to rent, with many facing the sandy 600-foot beach along 2100 feet of waterfront. The condos can accommodate from two to 10 people, with stay and play plans available for both golfers and non-golfers. Several condominiums are also for sale.

The 320-acre Northern Bay Golf Resort has already received top honors from Corporate Report Wisconsin magazine as a family-friendly destination resort and is becoming a popular location for family reunions.

Water activities include pontoon, wave runner and paddleboat rentals. Boats are available to rent and guests can also bring their own boats. The lake is noted for bluegill, lake sturgeon, largemouth and smallmouth bass, northern pike and walleye.

Off the water, Northern Bay also offers new tennis and basketball courts, volleyball sand courts, outdoor swim pool, children's pool, whirlpool and cookout and picnic area. Bicycles can be rented.

For people looking for more action, Wisconsin Dells is a half hour away. There are three state parks within 10 to 30 minutes with rock climbing a big draw at Roch-a-Cri.

For Northern Bay golf and condo rental information, call toll-free, (866) 784-2291.

For condominium sales information, call toll free, (866) 784-2291.
